# SR 400 Trail System - Tier 2

## Project Description:

The project will connect Path400 Trail from its terminus at Loridans Drive to the I-285/SR 400 interchange trail.

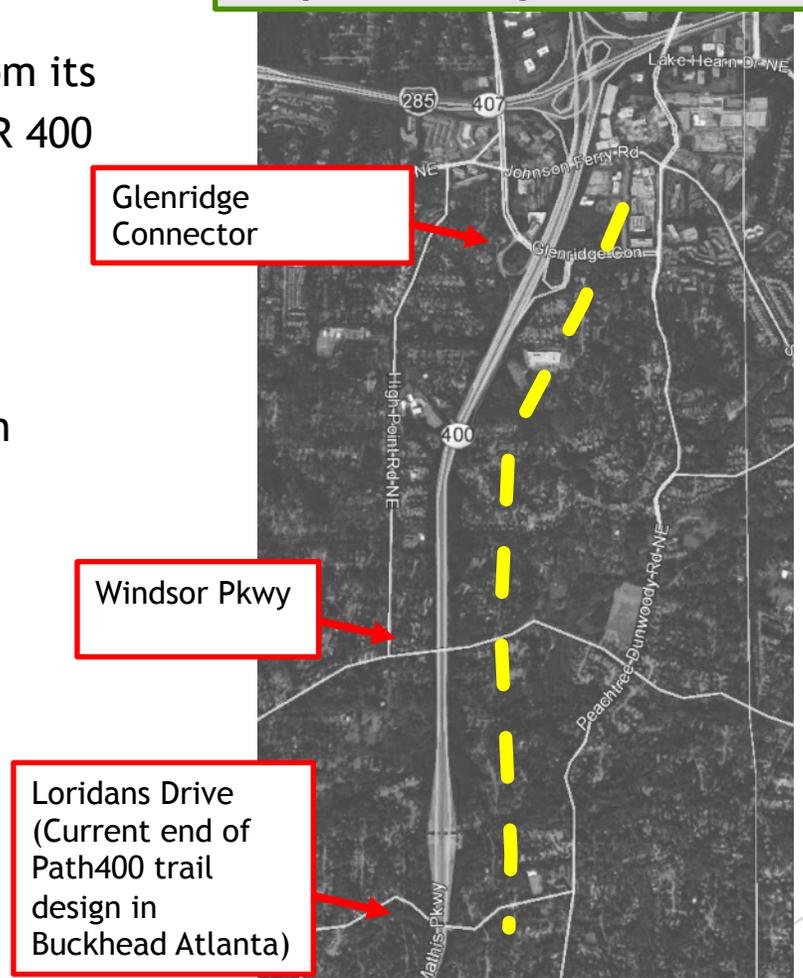

## Project Benefits:

- Provide multiuse trail mobility between Sandy Springs and Buckhead.

Estimated TSPLOST Funding: \$5,000,000

Plan Origin: *Sandy Springs Bicycle, Pedestrian and Trail Plan*

## Proposed Design Extension

## Georgia DOT I-285/SR 400 Path

Multiuse Trail designed and constructed with GDOT I-285/SR 400 Interchange Project
