The vehicle was recovered two days later in a Wells Fargo parking lot. The person suspected of taking the vehicle was located inside the bank; however, there is no video of the suspect exiting the vehicle or of the O'Reilly parking lot. CSI is investigating.
- Video surveillance shows three black males in hoodies are responsible for entering autos in the parking deck of 5671 Peachtree Dunwoody Road. The males entered multiple vehicles then flee when a car alarm sounds and one of the victims' approaches.
- A laptop was removed from a home on Landmark Drive and later tracked to 1410 E Brandy Shoals in Conyers. Conyers Police recovered the computer from the location. The backing of the stolen computer was replaced with a different backing with a non-stolen serial number. The owners of the home told authorities that they bought the computer from a black male in a white van off of Moreland Ave. The investigation is ongoing.
- Michael Freese, the son of the owner of Flasher's on Roswell Road, is charge with burglary and damage to property following an incident at the facility. The crime was caught on surveillance video. A Fulton Grand Jury indicted Freese on October 21, 2016.
- Several weapons taken in a burglary on Hears Ferry Road were recovered by a Virginia State Trooper. The trooper had stopped the vehicle and recovered four stolen guns and 30 grams of marijuana. Two suspects were arrested. They gave different accounts of how the weapons were obtained. The subjects were charged with misdemeanors and have since made bail. The investigation is ongoing with the cooperation of the ATF.
- A homeless female was attacked near the driveway of the former Porsche building off Hammond Drive. The suspect is a black male, six feet tall, thin, and wore a dark colored shirt and jeans. The suspect was armed with a switchblade knife that he used against the female victim. The victim was severely cut.
- A black male suspect exited the passenger side of a vehicle and took a laptop that was on an outside table at Starbucks in the 8700 block of Roswell Road. The owner was nearby in the parking lot and reacted immediately. A witness also reacted by chasing the suspect and retrieving the laptop. The suspect re-entered the vehicle which was driven by an undescribed subject. Witnesses provided a tag number for the vehicle. Suspects arrested in Alpharetta on a similar case were placed in separate lineups, and one was identified by an eyewitness as the suspect in the Sandy Springs theft. Another lineup will be scheduled with the victim. Warrants are forthcoming.
